### **School Performance Plan:**

-At this time, not all MAP data is complete, however the goal is to increase ELA scores from 59% to 64%. This goal is still achievable at this point and time. Once SBAC scores arrive, more information will be given as well. Grades K-5 use the HMH and Core95 Reading Programs.

-The second goal is to receive 100% feedback from teachers.

-Lastly, a decrease in chronic absenteeism is a goal to reach from 15.4% down to 9%. Realistically we may go down to 12-13%.

### **Staffing:**

-Stacie Farin will no longer be retiring and in addition we will have an additional strategist position. There is a possible candidate to be hired for that 2nd grade position.

### **5th Grade Promotion:**

-The 5th Grade Promotion will be held on Friday, May 17th at 1:00pm. Our teachers are amazing at taking care of all details, including decor and helping students with their speeches. Speeches will be chosen to read during the ceremony and practices will be held on Thursday afternoon and Friday morning.

\*Meeting was adjourned and motion was made by Lisa Hadley and seconded by Jessica.
